

MINGO'S

SPORTS BAR & GRILL

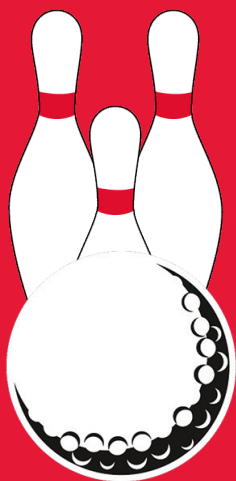

Welcome to Mingo's!

Mingo's comes from a family nickname that has been used for decades. It evolves from the Spanish definition coming from the phrase "poner el mingo" which translates to "to excel" and "to attract attention."

We hope our renovations here at Greylock Bowl and Golf will catch your attention and have you coming back for more. Team Mingo's promises to work hard to give you the best customer experience possible and delicious food to enjoy with your family and friends. Our family hopes your family will feel at home here. After all our name says it all, we aspire to excel at everything we do here at Mingo's.

Thank you for giving us the chance to make your night out a memorable one.

Fondly,
Team Mingo's
